Top 3 Losses

*Your top 3 losses account for **86.76 %** of all losses (**426h:47** of loss time)*

1 — **211h:60**
43% *of All Losses* | +16.2% ↑ *vs Last Month*
Your top loss is **Speed Loss & Micro Stop**
- This loss **increase at 16.2%** vs Last Month
- These have been 487 occurrences (avg 0h:26 each)

2 — **138h:47**
28.21% *of All Losses* | +19.3% ↑ *vs Last Month*
Your top loss is **Machine Preparation**
- This loss increase at 19.3% vs Last Month
- These have been 230 occurrences (avg **0h:36** each)

3 — **76h:00**
15.45% *of All Losses* | +37.0% ↑ *vs Last Month*
Your top loss is **Quality control**
- This loss increase at 37.0% vs Last Month
- These have been 246 occurrences (avg 0h:19 each)

Machine type

	OEE	Availability	Performance	Quality
FRICTION	42%	69%	61%	100%
